

Installeren van het Office365-pakket

Klik onderaan de werkbalk op de windows-toets 

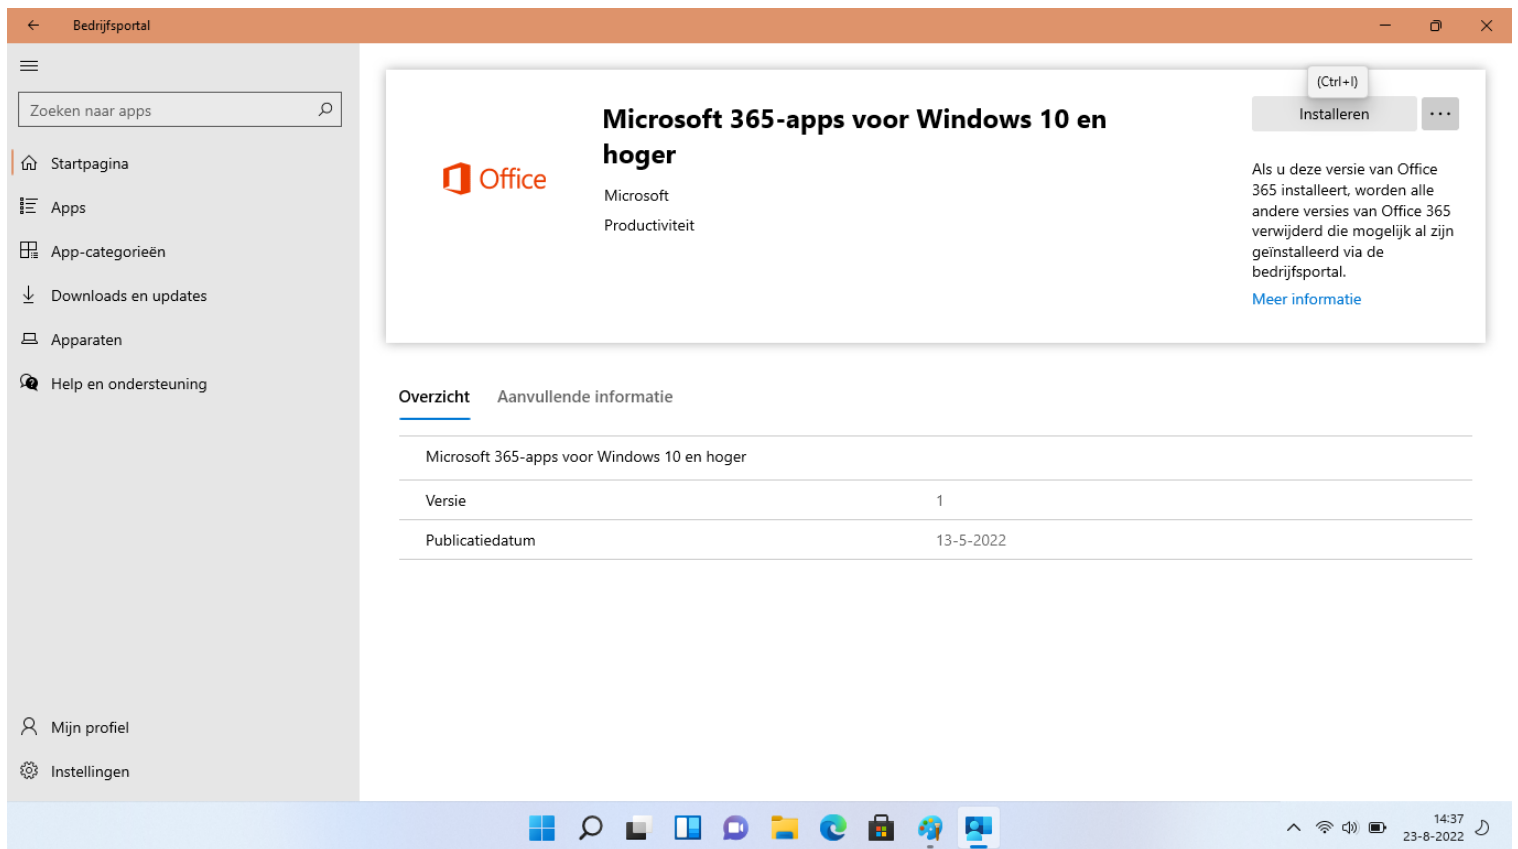

Vul vervolgens in de zoekbalk “bedrijfsportal” in.

Kies voor “Microsoft 365 apps”

Klik op “installeren”

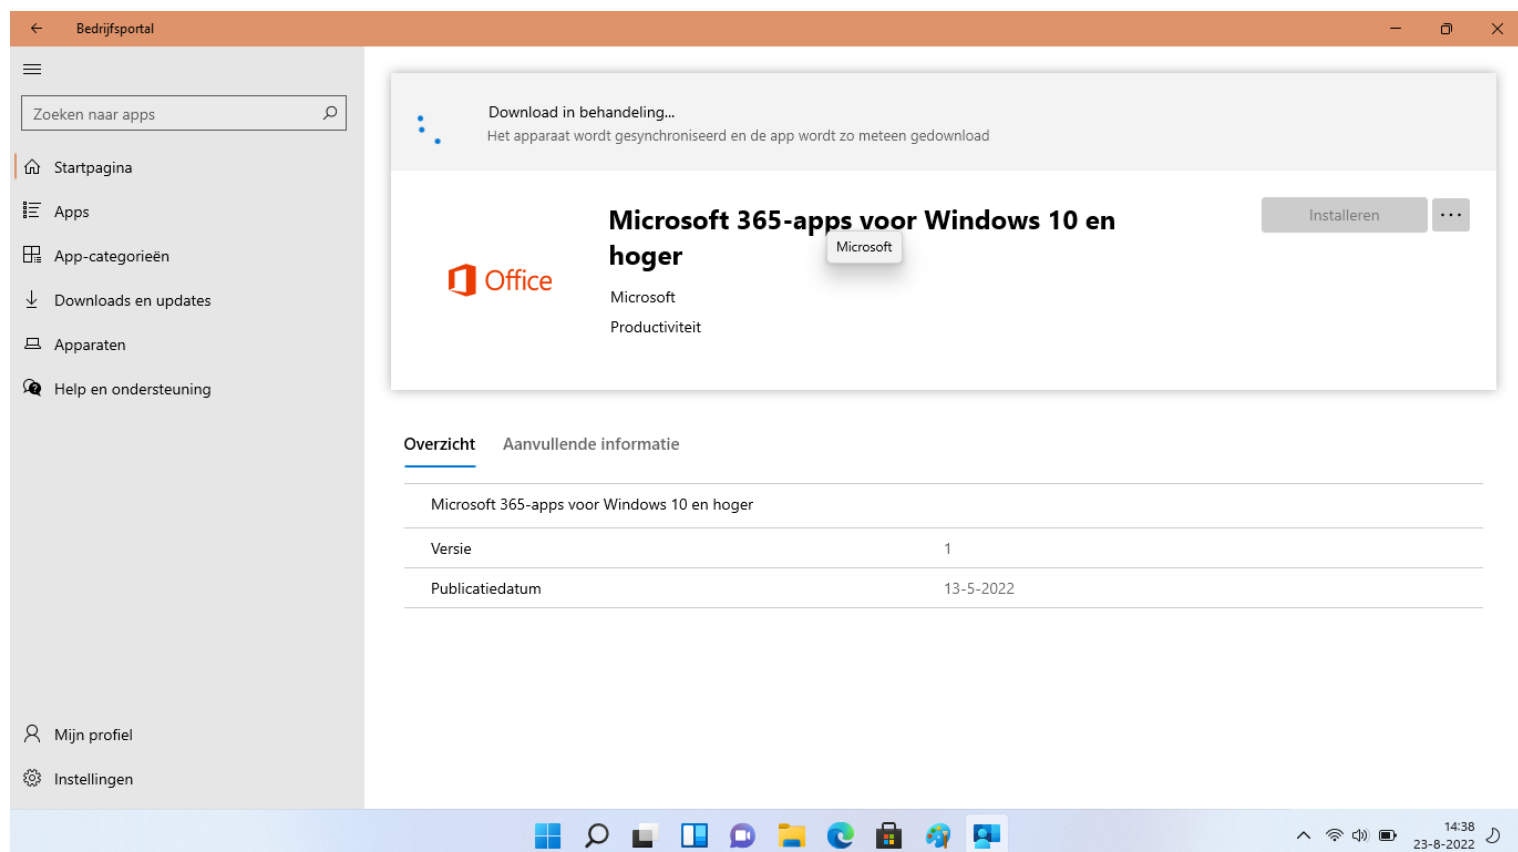

The screenshot shows the Bedrijfsportal interface. On the left is a sidebar with navigation options: Startpagina, Apps, App-categorieën, Downloads en updates, Apparaten, Help en ondersteuning, Mijn profiel, and Instellingen. The main content area displays the Microsoft 365 apps for Windows 10 and higher. The title is "Microsoft 365-apps voor Windows 10 en hoger" by Microsoft, categorized under Productiviteit. A tooltip for the "Installeren" button shows the keyboard shortcut "(Ctrl+I)". A note on the right states that installing this version of Office 365 will remove any previously installed versions via the Bedrijfsportal, with a link to "Meer informatie". Below the app card, there are tabs for "Overzicht" and "Aanvullende informatie". The "Overzicht" tab shows a table with the following data:

Microsoft 365-apps voor Windows 10 en hoger	
Versie	1
Publicatiedatum	13-5-2022

The Windows taskbar at the bottom shows the time as 14:37 on 23-8-2022.

De installatie van het Office365 pakket zal worden uitgevoerd

The screenshot shows the Bedrijfsportal interface with the Microsoft 365 apps for Windows 10 and higher. The status at the top of the app card is "Download in behandeling..." with a sub-message: "Het apparaat wordt gesynchroniseerd en de app wordt zo meteen gedownload". The "Installeren" button is still visible. The sidebar and navigation elements are the same as in the previous screenshot. The table under the "Overzicht" tab remains the same:

Microsoft 365-apps voor Windows 10 en hoger	
Versie	1
Publicatiedatum	13-5-2022

The Windows taskbar at the bottom shows the time as 14:38 on 23-8-2022.
